

Items Needed for FAA Part 107 Class

Classroom and student readiness checklist

Use this checklist to make sure the classroom and every student are ready before the first minute of class.

Instructor / Classroom Needs

	Classroom with tables and chairs
	Internet service (hardwired connection preferred)
	Whiteboard with markers and erasers
	Large-screen monitor or projector
	Course websites placed on the network whitelist (see Part 107 Training Aides sheet)
	Backup PC or laptop

Students Need

	Laptop
	Mobile device (phone or tablet)
	Paper and pencil
	Personal email account (mandatory - required for FAA IACRA and PSI accounts)
	Wi-Fi access robust enough for the class size
	State-issued identification from the DMV (required to take the FAA knowledge test)
	Be on time
	Be prepared to work from the first minute of class
